

Mambobaby

Mambobaby air free float

inflatable, just use when
want. No troubles.

er can spend more time
ne child.

akage, more secure.

The inflatable ring

1. The inflatable ring ne
be inflated with so m
nozzles, Mother also
know how to inflate

2. Inflating takes lots of
so much trouble and
of both time and brea

1. The inflatable ring' s
below 0.3mm thickne
inclined to punctures
leaks therefore it is da

2. If it is damaged, it can
repaired.

3. It always carry the ris
leak, which is quite d
for babies during swi
