e 50 gram

MENTHOLRUSH

ASCENDED LABS

SMELLING SALT

INSTRUCTIONS

- Remove the seal of the cap and gently unscrew the cap of the jar
- Bring the jar 10 [cm] up to your nose and inhale the gases for an adrenaline boost/Kick.
- Close the jar immediately after use so that the gases do not escape so that you can keep using the bottle longer. Keep in store between 8 and 20 °C for optimal results.

Be careful if you are not used to Smelling Salts it can be quite an experience when it shoots up your nose in one hit. We recommend that you use it wisely as it can cause irritation if used excessively. We recommend this product only for people with experience in Smelling Salts. USE THIS PRODUCT WITH CARE!
