The Smoke detector has a 10-year battery that lasts its entire lifetime.
Alarm goes off? Silence the alarm by use of the hush button.

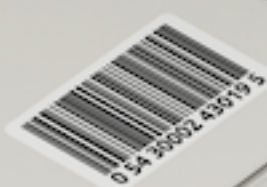

The 85-decibel alarm of the interlinked Smoke detector will alert you to a fire anywhere in the property, with all connected alarms sounding when one goes off.
Magnetic mounting pads make it easy and fast to install smoke detectors with strong, double-sided adhesive, no additional tools required.

Where to install the Smoke detector?

Easily install the Smoke detector using the included mounting kit or magnetic mounting pads.
